

	10.1	Ricambi Spare Parts Ersatzteile Pièces de rechange Repuestos	Come ordinare How to order Bestellung Comment commander Cómo hacer un pedido
	Rev. 3		
	12-2004		
	1		

Per ordinare i pezzi di ricambio si prega di indicare nell'ordine:

- modello esatto della macchina
- numero di matricola della macchina
- numero della figura del catalogo ricambi in cui compare il pezzo richiesto
- numero di posizione del pezzo richiesto nella figura
- numero di codice del pezzo
- descrizione del pezzo
- quantità desiderata

La macchina viene costantemente migliorata dai progettisti ed il catalogo dei ricambi subisce periodici aggiornamenti. E' indispensabile che ogni ordine di parti di ricambio menzioni il numero di matricola della macchina, leggibile sulla targhetta metallica di identificazione della macchina. Il costruttore si riserva la facoltà di apportare modifiche alle macchine senza preavviso.

When ordering spare parts, please define each part as follows:

- model of machine
- serial number of machine
- number of the figure in the spare parts catalogue in which the requested part appears
- number of position of the requested part in the figure
- part number
- description
- desired quantity

The machine is constantly revised and improved by our designers. The spare parts catalogue is also periodically updated. it is very important that all the orders of spare parts make reference to the serial number of the machine, which is punched on the metal name plate on the machine

The manufacturer reserves the right to modify the machine at any time without notice.

Bei der Bestellung der Ersatzteile bitte der Reihe nach angeben:

- genaues modell der maschine
- seriennummer der maschine
- nummer der abbildung im ersatzteilkatalog, in der das angeforderte stück abgebildet ist
- positionsnummer des gewünschten teils auf der abbildung
- teil-nummer
- beschreibung des teils
- gewünschte menge

Die maschine wird ständig von unseren entwurfstechnikern verbessert und der ersatzteilkatalog regelmässig aktualisiert. Es ist daher unerlässlich, dass bei jeder bestellung von ersatzteilen die auf dem metallkennschild der maschine angeführte seriennummer der maschine angegeben wird.

Der Hersteller behält sich das Recht vor, ohne Vorankündigung Änderungen an der Maschine vorzunehmen.

Pour commander les pieces de rechange, il est nécessaire d'indiquer dan l'ordre:

- modele exacte de la machine
- numéro d'indentication de la machine
- numéro du tableau dans le catalogue pieces de rechange dans lequel figure la piece demandée
- numéro de position dans le catalogue de la piece demandée
- code de la piece
- description
- quantité désirée

La machine est améliorée constamment par des projetteurs, et le catalogue des pièces de rechange subit périodiquement des mises à jour. Il est donc indispensable que chaque commande mentionne le numéro d'identification de la machine, lisible sur la plaque métallique d'identification de la machine. Le constructor de réserve le droit d'apporter des modifications aux machines sans préavis aucun.

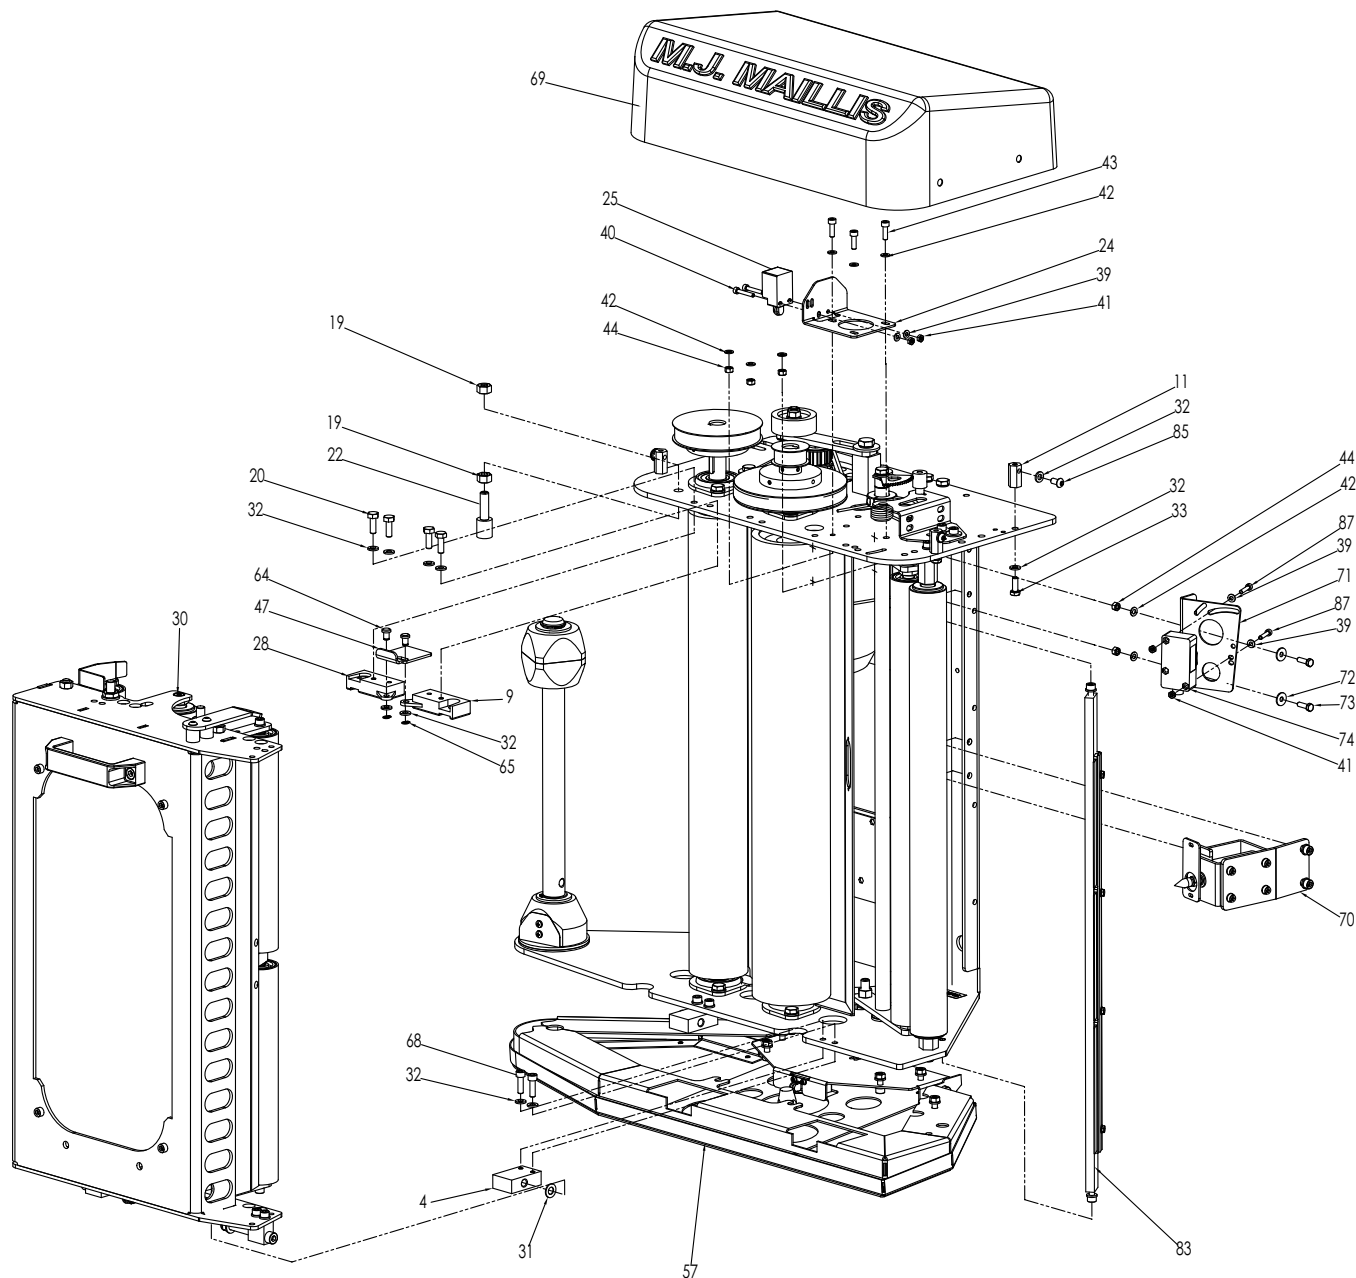

Para pedir las piezas de recambio se ruega que se indique en el orden siguiente:

- modelo exacto de la máquina
- número de la matrícula de la máquina
- número de la figura del catálogo
- número de posición de la pieza solicitada en la figura
- número de código de la pieza
- descripción de la pieza
- cantidad deseada

Los proyectistas mejoran constantemente la máquina y el catálogo de recambios se pone al día periódicamente. Es indispensable que en cada pedido de piezas de recambio se mencione el número de matrícula de la máquina que se encuentra en la placa metálica de identificación de la misma. El constructor se reserva la facultad de modificar las máquinas sin previo aviso.
